**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT**

Sir:

In further compliance with the provisions of 37 C.F.R. §1.56, §1.97 and §1.98, requiring the applicants to provide the United States Patent & Trademark Office with any prior art of which they are cognizant, and supplementing the Information Disclosure Statement filed on June 7, 2004, applicants enclose a copy of a European Search Report, dated August 3, 2004, listing three (3) additional publications, as also set forth on the enclosed Form PTO-1449.

---

**CERTIFICATE OF MAILING UNDER 37 C.F.R. §1.8(a)**

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Commissioner For Patents, P.O. Box 1450, Alexandria, VA 22313-1450 on September 14, 2004.

Dated: September 14, 2004

  
Leopold Presser

In particular, of interest is German Publication DE 15 91 225, which corresponds to the already submitted U.S. Patent No. 3,484,619, filed in the Information Disclosure Statement of June 7, 2004.

With regard to the U.S. publications, which are considered to be primarily technological background material, U.S. Publication No. 2003/076044 is applicants' own earlier filed U.S. application.

The claims, as presently on file, are deemed to clearly and patentably distinguish over the art, of which only the non-U.S. patent is being submitted herewith.

On the basis of the foregoing, the early and favorable examination of the application on the merits is earnestly solicited.

Furthermore, inasmuch as the present Supplemental Information Disclosure Statement is being submitted prior to the issuance of a first Office Action on the merits and within three (3) months of the issuance of the European Search Report, no petition, certification or fee is required to be submitted by the applicants.

Respectfully submitted,

Leopold Presser
